Any compensation paid to the trustees, directors, officers or key employees of the Organization is subject to the oversight and decisions of Covenant Health, a related tax-exempt organization. Every two-to-three years the Compensation Committee of the Covenant Health Board of Directors engages an external consultant to provide competitive market data from various survey sources, which is then used to develop recommendations for changes to the compensation program. Since 2003, the Compensation Committee has engaged a human resources consultant to conduct this analysis. Objectives of the analysis are to assess the compositeness of the total cash compensation levels of the senior leadership team, develop market based competitive salary ranges for all executive positions, and ensure that the annual incentive opportunities, if there are any, are competitive and reasonable.
