The Organization's Endowment Funds are composed of various restricted assets funded by donors programs to support the Organization's residents, staff, DPH Visitation Grants, and assorted outdoor and property improvements.

Part X, Line 2:

Covenant and its member organizations are considered not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code and are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code, except as noted below.

Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position.

The System has evaluated the position taken on its filed tax returns. The System has concluded no uncertain income tax positions exist at December 31, 2024.

Since 2003, the Compensation Committee has engaged a human resources consultant to conduct this analysis. Objectives of the analysis are to assess the compositeness of the total cash compensation levels of the senior leadership team, develop market based competitive salary ranges for all executive positions, and ensure that the annual incentive opportunities, if there are any, are competitive and reasonable.

Part I, Line 7:

A Compensation Committee recommends the variable pay award that may be issued to qualifying employees and officers. The payment of the award is discretionary and is subject to meeting the pre-determined goals of the Organization.
