All Foundation Endowment Funds are to be used to advance the exempt mission of the Foundation and its affiliated organizations, such as the St. Joseph Hospital, through the provision of holistic care, support services, and administration functions.

Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included

Since 2003, the Compensation Committee has engaged a human resources consultant to conduct this analysis. Objectives of the analysis are to assess the compositeness of the total cash compensation levels of the senior leadership team, develop market based competitive salary ranges for all executive positions, and ensure that the annual incentive opportunities, if there are any, are competitive and reasonable.
